## Ring Size Guide

Before using the ruler to find your fit, make sure this guide is printed on A4 paper size $(210 \mathrm{~mm} \times 297 \mathrm{~mm}$ ) and scaled to $100 \%$. To check the accuracy of your printout, position a credit card on the line below. The scale is correct if the credit card and line length match.

## The Hands-on Method

Found the perfect ring? Follow these instructions to find your perfect size.

## Option I

1.Cut a small piece of string, thread or ribbon from a spool.
2.Wrap it snugly around your finger for an accurate measurement.
3.Lay your string strip on a flat surface and use a ruler to measure the length up to the mark. Use the chart to match the measurement to the closest DR ring size.

## Option 2

1.Print and carefully cut out our paper ring sizer below.
2.Use a ruler to measure the lines above and make sure it all matches Print this sizer Wrap it snug, through the slot, and check the size marked.

## Option 3

1. Select a ring you already own that perfectly fits the finger on which you will wear your DR ring.
2. Print our chart of ring size circles.
3. Place the ring on top of each circle until you find a perfect match.
